

A FAMILY. A CONVICT. A JOURNEY THAT COULD BE THEIR LAST.

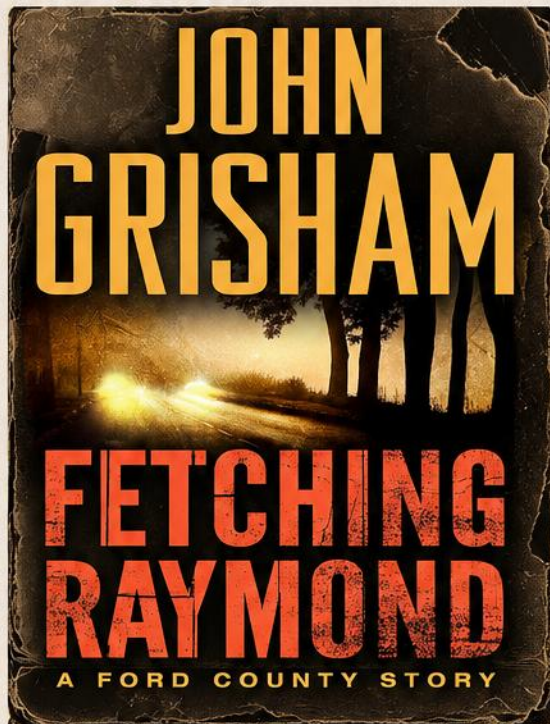

*John Grisham's Fetching Raymond
Delivers Suspense, Heart, and Truth
from Deep in the Mississippi Delta.*

In *Fetching Raymond*, bestselling author John Grisham returns to the fictional Ford County, Mississippi—the setting that first introduced readers to his unforgettable brand of legal suspense and Southern realism in *A Time to Kill*.

This powerful short story follows Inez Graney, a wheelchair-bound mother, and her two older sons, Leon and Butch, as they embark on a haunting road trip across the Mississippi Delta. Their destination: death row. Their mission: to visit their youngest brother, Raymond, who has spent eleven years behind bars and may not have much time left.

As the Graney family confronts painful memories, old conflicts, and long-buried family secrets, Grisham masterfully explores the ties that bind—and the mistakes that break.

With richly drawn characters, a gripping sense of place, and emotional depth that lingers long after the final page, *Fetching Raymond* is a story about justice, forgiveness, and the complicated nature of family.

A STORY ROOTED IN FORD COUNTY

Grisham brings the sights, sounds, and struggles of the Mississippi Delta to vivid life in this standalone short story from the Ford County collection.

It's more than a prison visit—it's a journey into the past, a confrontation with the truth, and a chance to say goodbye.

WHY READ *FETCHING RAYMOND*?

- ✓ A gripping, emotionally charged story
- ✓ Deeply human and unforgettable characters
