## THE APOCALYPSE IS A GAME. AND CARL IS JUST GETTING STARTED.

*Matt Dinniman's Dungeon Crawler Carl Delivers Explosive Action, Dark Humor, and a Cat the World Will Never Forget.*

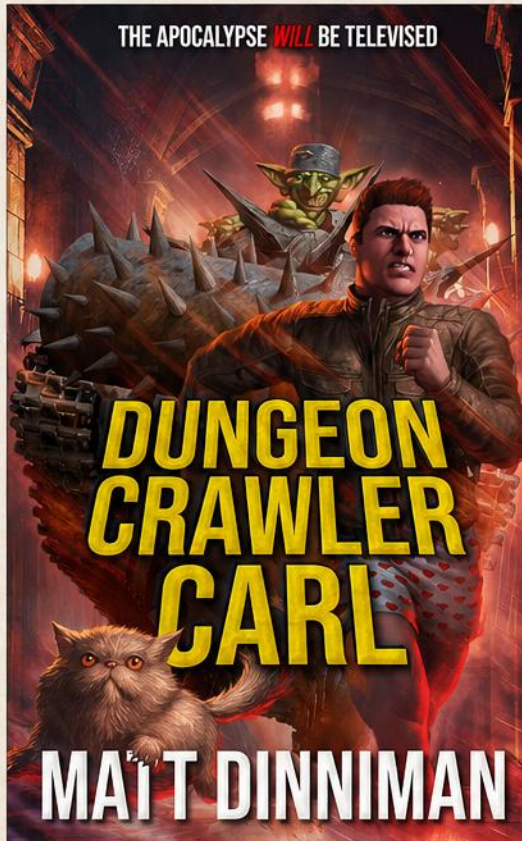

In a world where alien empires crave entertainment, Earth's destruction is just the opening act.

In *Dungeon Crawler Carl*, Coast Guard veteran Carl finds himself thrown into the ultimate fight for survival—inside a deadly fantasy dungeon that's actually a reality TV show watched by millions across the galaxy.

It gets worse. He's not alone. He's stuck with Princess Donut—his ex-girlfriend's prize-winning show cat. Together, they must navigate trap-filled levels, exploding goblins, magical potions, and even drug-dealing llamas, all while keeping the intergalactic audience entertained.

Hilarious, fast-paced, and surprisingly heartfelt, this LitRPG sensation has become a global phenomenon and a must-read for fans of fantasy, sci-fi, and gaming adventures.

Welcome, Crawler. Welcome to the Dungeon. Survival is optional. Entertainment is mandatory.
