

## WHO DID THIS TO YOU: SABLE SORENSEN'S DIRE BOUND BITES DEEP WITH VAMPIRES, WOLVES, AND A LOVE THAT DEFIES EVERYTHING

*Enemies to lovers. Forced proximity. Vampires vs. wolves! The first book in the Wolves of Ruin series sinks its teeth in.*

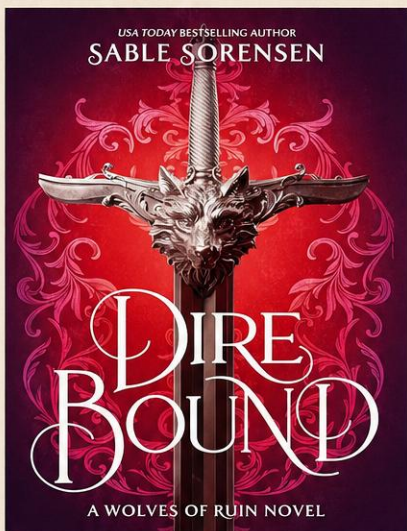

In a world where ancient enemies rule the night, one question haunts every page: who did this to you?

Sable Sorensen's electrifying debut *DIRE BOUND* (The Wolves of Ruin Book 1) is a dark romantasy that blends blood-soaked tension, slow-burn passion, and a heroine who refuses to break.

When a wounded wolf warrior is forced into the care of the vampire who once destroyed everything she loved, their undeniable chemistry becomes as dangerous as the enemies closing in.

In a land on the brink of war, old vendettas collide with new loyalties. And as secrets unravel, the biggest threat might not be the enemy outside their door—but the bond growing between them.

*DIRE BOUND* is a gripping start to a spellbinding series perfect for fans of dark fantasy, sizzling romance, and fierce heroines who fight for what's right—even when it costs them everything.
