

SIX LITTLE WORDS: SALLY PAGE DELIVERS AN UPLIFTING STORY OF FRIENDSHIP, KINDNESS AND SECOND CHANCES

A feel-good and life-affirming new novel from the Sunday Times bestselling author of The Keeper of Stories and The Book of Beginnings.

Can six little words really change everything? In **SIX LITTLE WORDS**, Sally Page proves that sometimes a small act of kindness can spark the biggest transformations.

When a mysterious note appears on the noticeboard of Kate's local café, curiosity spreads among the regulars. Each day, a new line is added without explanation.

Among them is Bardy, a retired English teacher struggling with writer's block and feeling lost.

For Kate, these words may hold the key to a second chance at happiness—if only Bardy can find the courage to share his own story.

Heartwarming, humorous and deeply moving, *Six Little Words* is the perfect armchair read for fans of uplifting fiction and stories that celebrate community, hope and the small moments that matter.

THE PERFECT ARMCHAIR READ
